Dear Mr. Edwards:

In response to your letter of June 19, 1981 to the Director, I have reviewed your booklet, Common Sense & Everyday Ethics, for possible inclusion in Agency training programs. Our senior officer development program devotes particular attention to the issue of ethics and the intelligence profession. Consequently, we plan to utilize your booklet in our consideration of this critical topic in our fall running.

I commend you for a succinct and balanced statement of the meaning and practical importance of ethics, and thank you for bringing your fine publication to our attention.

Sincerely,

Director  
of  
Training and Education
